

SECRET SANDWICH SOCIETY

FOR THE LOVE OF SANDWICHES

Here at the Society, our food is thoughtfully sourced, crafted with passion, and meant to nourish and fulfill our guests. Bold combinations of sweet, savory, pickled, crunchy, salty and spicy mingle on perfectly toasted bread.

In addition to great food, we pride ourselves on our commitment to the environment. At each location, we are 100% wind powered and recycle everything we can in an effort to help protect our environment for the future. This is the Society. We're happy you joined us.
